on temporary suspension of share trading at the regulated market – Listing A – Prime Market for the trading session held on – 9.4.2010

Article 1.

SHARE trading is **TEMPORARILY SUSPENDED** at the regulated market:

Listing A /PRIME MARKET/

The temporary suspension as set forth in paragraph 1 of this article shall last:

- from the beginning of the continuous trading phase at the individual trading session on 9 April 2010
- until conditions are met for undisturbed functioning of the Exchange information system segment BelexFIX Prime market shares.

Article 2.

This Decision comes into effect immediately.

Explanation

Upon the end of the opening phase, and trading at opening, at the individual share trading session on Listing A – Prime market held on 9. April 2010 some circumstances were discovered preventing a proper functioning of the Exchange information system – BelexFIX in respect to the segment "Prime market-share". In view of that and for the purpose of providing conditions for its undisturbed functioning, it was considered necessary to temporarily suspend share trading at the regulated market – Listing A /Prime market) for the individual trading session organized on 9.4.2010, and the decision was made as stated in the above text.
